

# Dr. Manjula Raguthu

PHYSICIAN, DIRECTOR

MEDWIN FAMILY MEDICINE & REHABILITATION

## Motto: Health is Wealth

As a doctor for more than two decades, Manjula Raguthu has provided a multitude of services that have helped patients achieve their healthiest lifestyles. Focusing on family medicine and inpatient, outpatient and acute-care settings, Dr. Raguthu is efficient in communicating with her patients regarding the care she provides to them and the care they need. She has spent nearly half of her career at Medwin Family Medicine & Rehabilitation, where she has developed and implemented wellness programs designed to meet a wide spectrum of health issues using state-of-the-art tools. Dr. Raguthu's

responsibilities at the health care facility currently include assessing lifestyle risks and promoting the various programs and services she and her colleagues provide. She also motivates patients and conducts health interventions on an individual basis.

Driven by her passion for providing health care, Dr. Raguthu intends to continue to build the practice and deliver the best possible service moving forward. She hopes that continuing to grow will mean more quality, comprehensive and compassionate health care from a team dedicated to making a difference.
